Held in Zhongshan, the world's biggest producing city of games and amusement rides, **G&A** expo is back this November with brand new features to give you a brand new experience! Gathering nationwide outstanding enterprises and decision makers, G&A is definitely worth attending for you in this special 2020.

➤ **New Venue!**

**New World International Exhibition & Convention Center**

With the amusement and tourism market recovering across China, companies nationwide are eager to promote their brands and products. To fully meet exhibitors' booth demand, the show will be expanded and held at 2 venues, which means more brands will meet you this year. More importantly, this new venue is located at GD Game City, the industry park home to hundreds of leading enterprises in this trade.

➤ **New Event!**

**Zhongshan Int'l Culture & Tourism Industry Expo**

Driven by the construction of the Greater Bay Area and Game & Amusement Culture Characteristic Town, a new trend of "Culture+Amusement+Tourism" is presenting

itself in Zhongshan. Against this backdrop, the first Zhongshan Int'l Culture & Tourism Industry Expo will be held concurrently with G&A 2020, under the support of China Association of Amusement Parks and Attractions (CAAPA).

➤ **New Position!**

**Vice President of Zhongshan Gaming & Amusement Association**

This July, the Organizer of G&A was successfully elected the forth Vice President of Zhongshan Gaming & Amusement Association (ZGAA)! Founded in 2007, ZGAA is China's first trade association of its kind, with over 130 member enterprises to date. Elevated to this new position, G&A will be able to better promote the industry's healthy and all-round development.

Supported by the municipal government of Zhongshan, G&A is a prestigious platform for buyers to meet industry-leading manufacturers and exhibitors to showcase their latest innovations. Join us to meet your needs!
